Polymarket made big moves this month

There's a psychological benefit, too. A simple, pre-set routine helps curb fear of missing out (FOMO) on green days and panic on red ones. Instead of reacting to headlines, you stick to the plan.

Overall, Galaxy had \$9 billion in assets under management by the end of the third quarter, as well as \$7 billion in "assets under stake," which were earning blockchain rewards. The firm said its average loan book size increased to \$1.8 billion on increased client diversity.

Catching a coin's name trending on X or in a Telegram chat isn't enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That's why the next step is to turn raw noise into structured signals you can actually rank and compare.

The first incident occurred on July 29, during a game between the Atlanta Dream and Golden State Valkyries, when a bright green dildo bearing the project's hashtag was thrown onto the court. Several similar disruptions followed and two arrests have been made.

With Google's new update, when a request to remove non-consensual deepfake websites found in a search is received, Google will also work to filter similar search results that include the name of the person being impersonated.
