In May, figures for global adoption were published by crypto exchange Gemini, showing that most meme coin owners also hold Bitcoin and Ethereum.

Crypto products stay resilient amid recent crash

“Over time,” Hougan concluded, “I expect the market will catch its breath and renew its attention on crypto’s fundamentals. When that happens, I think the bull market will continue apace.”

The primary struggle for a crypto investor is not a lack of information but a relentless deluge of it. News websites, social media feeds and onchain data streams constantly churn with updates that can be overwhelming. XAI's Grok 4 aims to change that. It pulls live data straight from X, pairs it with real-time analysis and filters signals from noise. For a market that is heavily influenced by narrative momentum and community chatter, this is indeed a notable capability.

"We will learn from the prototype, make it better, and then integrate the tech into ChatGPT to make it real-time and maximally helpful," he said.
