This week, Citi gave Strategy a "buy" rating with a \$485 price target but warned the stock "presents significant risks due to its positioning as a leveraged proxy for Bitcoin," noting even moderate Bitcoin price declines can lead to magnified shareholder losses.

"This is a first step in bringing the spirit of Dogecoin directly into the fabric of the world's game," he added.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.
