Each week features a new “Challenge” centered on a specific theme, such as decentralized finance (DeFi) or gaming. To complete a Challenge, users must finish a series of onchain “Quests,” which are individual tasks like swapping a token or minting an NFT on a participating decentralized application (DApp).

The company's board of directors approved the plan, which will see it acquire up to \$5 million of the two assets in total over the next year, according to a company announcement on Thursday.

Unlike previous rallies, this one is expected to be driven by long-term investors seeking portfolio stability, rather than short-term speculation.
