Paradigm first announced plans for the payments-focused blockchain network in September, citing a “growing need for optimized infrastructure” that scales for global payments.

Milei has distanced himself from Libra, but crypto research firm Nansen said that traders lost \$251 million on it, leaving what Haines views as a novel canvas for fiction.

But despite the optimism around BNB, the world’s largest crypto exchange by trading volume has faced backlash from users in recent weeks over its performance during the market crash.
