The executive did emphasize, though, her confidence that Custodia has already been deemed a “legally eligible entity” by the Fed.

“When corporations gain too much legibility and influence over open source projects, priorities start to drift away from the community’s long-term vision and toward corporate incentives. That’s how misalignment begins.”

The world's top-ranked nightclub has opened what its owners say is the first permanent art gallery inside a club, as part of an effort to blend nightlife with digital art.
