Commenting on the price action, CEA Industries CEO David Namdar told Cointelegraph that BNB was the “most overlooked blue-chip in the market,” and that the rally reflected the market catching up to the token’s fundamentals.

“I believe that the real world moment is now, and I want to make sure we do not miss this window to touch normal people’s lives everywhere in the world,” Feist said, arguing his decision to join Tempo will enable him to more effectively bring crypto payments to the masses.

Crypto native founders can also experiment with tokenomics, governance models, or crosschain integrations when it takes incumbents to run a risk assessment.
