## Comprehensive Guide to binance money deposit

Liquidity is typically thinnest during weekends and off-hours. Market makers widen spreads to manage risk, and a single headline can move prices beyond key levels before liquidity returns.

In Europe and the US, major fast-food chains like Subway and Burger King continue to accept crypto payments, often through third-party gift card services or payment processors. While not a direct, in-house integration for every location, it's a simple way for consumers to spend their Bitcoin.
