The acquisition is made in partnership with Brag House Holdings, House of Doge's publicly traded merger partner that will help the firm soon go public via a reverse merger.

How to read: Breakouts often follow the existing trend but can occasionally reverse it. Estimate the price target by measuring the base width of the triangle and projecting it from the breakout point. A breakout upward in an uptrend is typically bullish, while a breakdown in a downtrend is bearish. To avoid false signals, use a 1%-2% filter before confirming a move.

The Sun statement the Bubblemaps team was referring to appeared on X in Mandarin. In it, Sun said the wallet "only generally did a few exchange deposit tests, the amounts were very low, then did a distribution to one address." He added that the tests "did not involve any buying or selling," and that it would have been impossible for the token movements to have impacted the market.
