The historical drag of September's bearish seasonality, meanwhile, is forcing U.S. investors to reassess their positions ahead, as they look toward the end of the financial year on September 30.

Crypto exchange Coinbase has urged the US government to use blockchain analytics, artificial intelligence and other modern technology to curb financial crime in the space, in response to the Treasury Department's request for comment on how to deter illicit activity in crypto.

But despite the optimism around BNB, the world's largest crypto exchange by trading volume has faced backlash from users in recent weeks over its performance during the market crash.
