“Dollar dominance by the end of that period went from 27% in GDP terms but to 57% of central bank reserves, and 80% of financial transactions, quotes,” he said, adding:

Demand for spot Ethereum ETFs has also been decreasing, with these investment products posting outflows six out of the last eight days, data from SoSoValue showed.

“What that means is that when you remove a result from search under our policies, in addition, what we'll do is on any query that includes your name—or would be

likely to surface that page from search—all explicit results will be filtered,” the spokesperson said. “So not all explicit results will be removed, but all explicit results will be filtered on those searches, which prevents them from appearing on searches where it would be likely to show up.”
