By using trusted custodians, a diversified network of validator partners and transparent reporting, Grayscale has established a secure and compliant way for investors to participate in staking. It has turned staking from a complex, retail-oriented process into a professional investment opportunity.

On Tuesday, the agency filed a lawsuit against HTX for promoting crypto services to UK residents, a spokesperson for the FCA confirmed to Cointelegraph. The FCA also said:

Adding to the bearish pressure, Bitcoin's taker sell volume surged above \$4 billion, signaling a wave of market sell orders. The move coincided with BTC's rejection near the short-term holder (STH) realized price at \$112,370, a key level that now acted as resistance.

Risks and criticisms of Grayscale's staking funds

They discussed how the incidents had made them "very happy" and that "this is what crypto should be about," while congratulating themselves for bringing attention to women's sports.
