In March 2025, the exchange began moving assets between its wallets, a likely step in preparing for further repayments ahead of the Halloween deadline.

The Sun statement the Bubblemaps team was referring to appeared on X in Mandarin. In it, Sun said the wallet “only generally did a few exchange deposit tests, the amounts were very low, then did a distribution to one address.” He added that the tests “did not involve any buying or selling,” and that it would have been impossible for the token movements to have impacted the market.
