California state pension fund CalPERS recorded mixed reactions from board candidates on crypto investments during Wednesday's forum, despite the system holding shares in Bitcoin treasury company Strategy, previously known as MicroStrategy.

Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

Gold's ongoing volatility came weeks after Deutsche Bank's macro strategist Marion Laboure observed a set of parallels between gold and Bitcoin, which could potentially make the crypto asset an appealing store of value.
