Joshua Paul Armbrust, 45, was sentenced by U.S. District Judge Jerry Blackwell after pleading guilty in April to a felony count of computer fraud documented by the U.S. Attorney's Office for the District of Minnesota, with initial reporting on the sentence from local media outlet Duluth News Tribune.

Should the plan be implemented, it could remake the banking landscape in America. Even if crypto banks were restricted from certain privileges, the ability for them to function as federal banks could have significant implications for every corner of the industry, from crypto exchanges to stablecoin issuers.

If US equities sustain their recovery heading into earnings season, it could create favorable conditions for Bitcoin's own upside revival. A renewed rally in tech and growth stocks, bolstered by easier monetary policy, might help extend "Uptober" optimism into a stronger finish for the month.

ETH price is expected to resume its prevailing bearish momentum after the confirmation of a classic bearish pattern.

Cross-border payment is one of the important application scenarios of blockchain technology. The traditional cross-border payment process is complex, involving multiple intermediaries, with long settlement time and high fees. In contrast, cross-border payments based on blockchain technology can realize direct peer-to-peer transactions, greatly simplifying the process, shortening settlement time, and reducing costs. Currently, several countries and financial institutions have begun to try using blockchain technology for cross-border payments. With the continuous maturity of technology and the improvement of regulatory frameworks, blockchain cross-border payments are expected to become the mainstream cross-border payment method in the future.

To that point, Dalio said that deregulation isn't a threat to governments' use of fiat currencies in stabilizing economies or facilitating international trade. It is rather unhealthy debt levels, he said, that are eroding the status of currencies like the greenback across several sovereigns.
