GalaxyOne offers customers the ability to trade stocks and crypto in one place, mirroring services offered by Robinhood and Kraken. At the same time, Galaxy is targeting accredited investors with products like high-yield cash that aren't universally available.

Authority is the emergent product of differing capacities for violence among individuals and groups. This gradient of violence gives rise to coercion, where the possessors of violence impose rules on subjects. And code, while dictating internal rules within its own logic, has no monopoly on violence in the world writ large.
