Uniswap's trading engineering lead, Danny Daniil, said that Solana's launch will help Unichain, a layer-2 network made by Uniswap Labs, become the “best chain” for trading.

“This is a first step in bringing the spirit of Dogecoin directly into the fabric of the world’s game,” he added.

Blockchain technology is rapidly developing worldwide, becoming an important driving force for digital transformation. As a distributed ledger technology, blockchain ensures data security and immutability through decentralized means. In the financial sector, blockchain technology has begun to transform traditional payment, clearing, and settlement processes, improving efficiency and reducing costs. At the same time, blockchain has shown tremendous application potential in various fields such as supply chain management, healthcare, and public services. With the continuous maturity of technology, we have reason to believe that blockchain will lay a solid foundation for the future digital economy.
