combines treasury management, liquidity aggregation, and mining operations within a regulated framework.

The flipping has been an ongoing debate for years

People have always looked to frontiers for freedom. That is because societies are, fundamentally, structures that organize violence to contain the desires of individuals in favor of the priorities of those in power. Generally, this has at least some pro-social qualities: Police have a privileged role as monopolists of violence so that we can buy deodorant at Walgreens without ringing a bell for an attendant. But that does not change what it is.

Assets associated with the infamous Libra token—launched in February, and promoted by Argentine President Javier Milei—were unfrozen by a Manhattan federal judge on Tuesday. The judge said that she no longer believes that the defendants would run off with the cash, after the pair had been compliant with court proceedings. It comes after the same U.S. district judge, Jennifer L. Rochon, froze \$57.6 million worth of USDC found in June as part of a case in which the plaintiffs are seeking over
