"We will learn from the prototype, make it better, and then integrate the tech into ChatGPT to make it real-time and maximally helpful," he said.

"We can build, or architect, or code cyberspace to protect values that we believe are fundamental. Or we can build, or architect, or code cyberspace to allow those values to disappear. There is no middle ground. There is no choice that does not include some kind of building. Code is never found; it is only ever made, and only ever made by us."
