Commenting on the price action, CEA Industries CEO David Namdar told Cointelegraph that BNB was the “most overlooked blue-chip in the market,” and that the rally reflected the market catching up to the token’s fundamentals.

Traditional corporate rules should still govern digital-asset treasuries,” Chu said, warning that loosening them risks a repeat of the dot-com era’s “speculative frenzy without revenue backing.

“I think that most fiat currencies, especially those with large debts, will have problems being effective storeholds of wealth and will go down in value relative to hard currencies,” he said, pointing to parallels between the coming years and two periods in the 20th century.
