DAT bubble bursting?

That infrastructure is now being extended with their acquisition of 21Shares as a “natural next step” to strengthen market efficiency, Yarlagadda claimed, adding that the move is a “deliberate, long-term investment in building durable enterprise value across market cycles.”

“Fast forward a few years: Corporate chains will end up with the complex tech but without the added value for users, which is no central entity to control them. At that point, these chains will lose the focus from corporates.”
