protests broke out, some groups urged citizens to begin using crypto as a way to bypass what they saw as unfair taxation.

What really changes?

People have always looked to frontiers for freedom. That is because societies are, fundamentally, structures that organize violence to contain the desires of individuals in favor of the priorities of those in power. Generally, this has at least some pro-social qualities: Police have a privileged role as monopolists of violence so that we can buy deodorant at Walgreens without ringing a bell for an attendant. But that does not change what it is.

“Bitcoin search interest on Google is at bear market levels,” said trader Mister Crypto in an X post on Wednesday, asking:
