Authority is the emergent product of differing capacities for violence among individuals and groups. This gradient of violence gives rise to coercion, where the possessors of violence impose rules on subjects. And code, while dictating internal rules within its own logic, has no monopoly on violence in the world writ large.

The company expects to raise about \$230.8 million, payable in Bitcoin or SolvBTC, with the transaction scheduled to close on Friday, pending customary conditions.

Paradigm has invested widely across the market, covering anything from DeFi and NFTs to blockchain security, infrastructure and startups.
