"The elephant in the room is are DATs really justified?" Chu questioned, noting "without a credible business case, rigorous governance, robust custody, and transparent risk controls, such DAT structures can become misaligned with shareholder interests and could invite the kind of liquidity and governance risks regulators worry about."

Hi Ibiza, named the world's best club by DJ Mag for four consecutive years, unveiled the gallery this summer along with Ibiza-based nightlife group The Night League and London digital art collective W1 Curates. The exhibition mixes digital and physical works, interactive installations, and custom-built display technology.
