But the second problem with the code-is-law idea is more damning. While the model of regulation suggested here so far has been of a reactive system that

arises to fill the need for authority, some political scientists — realists — view it the other way.

"We have been reviewing the entire portfolio from first principals to evaluate AI suitability and have identified Georgia as a strategic region for both potential conversion as well as expansion," wrote Scott Garrison, chief development officer and executive vice president at ClearSpark, adding:

As part of its equity stake announcement, the firm also shared that it is adding Toronto Blue Jays Vice Chairman Roger Rai to its advisory board to advise its sports operations on best practices and commercial partnerships.
