The wallet movement marks SpaceX's second transfer in three months after the aerospace company moved \$153 million worth of Bitcoin in July, its first fund movement since 2022.

Part of traders' unease comes from the deteriorating relationship between the US and China, as the ongoing trade war enters a new phase involving export controls on rare earths and sanctions against a South Korean shipping company. US President Donald Trump said on Oct. 10 that the US could respond with an additional 100% tariff on Chinese goods starting Nov. 1.

The campaign's gamified nature has also led to community engagement across social platforms, with participants sharing their progress, NFT achievements and referral milestones. This activity is generating continued interest in the campaign as it moves into its next phases.

World Liberty Financial is arguably the most prominent Trump-backed crypto venture, with Donald Trump and his three sons all listed as co-founders. So far, the project has only rolled out its USD1 stablecoin and sold its WLFI governance token; however, plans are in place to expand further into the world of decentralized finance and offer lending services.
