Derivatives backdrop: If funding is highly positive or negative and OI is climbing to a level, positioning is crowded. This creates prime fuel for a squeeze in the opposite direction.

Bagwork is a Pump.fun meme coin launched by a pair of unnamed youngsters, who livestream goofy stunts to try and pump the price. On Wednesday, one of the devs ran onto the field during a Los Angeles Dodgers baseball game, and hours after the Martyn incident, the other dev shaved their head on-stream. They say they'll be streaming every day for the next two weeks, attempting to create viral moments every day.

An asset manager known for exchange-traded funds geared toward risk-embracing investors wants to ratchet up the possibilities for these thrill-seekers, filing an application for 49 funds offering three times long and short leveraged exposure to tech and crypto-focused firms, gold, and ETFs that individually track the price of Bitcoin, Ethereum and Solana, among other assets.

“Crypto is now an alternative currency that has its supply limited, so, all things being equal, if the supply of dollar money rises and/or the demand for it falls, that would likely make crypto an attractive alternative currency,” he said.

Analysts remain wary of digital assets' future price path as markets reckon with a re-escalation of the Trump administration's global trade war, inflation and economic worries, and other macroeconomic uncertainties. "It's likely too early to tell if this is the bottom though as wider markets are choppy, particularly gold," James Butterfill, global head of research at crypto asset manager CoinShares told Decrypt.

In Europe and the US, major fast-food chains like Subway and Burger King continue to accept crypto payments, often through third-party gift card services or payment processors. While not a direct, in-house integration for every location, it's a simple way for consumers to spend their Bitcoin.
