“I’ve been saying for the past two years that the influence of @paradigm within Ethereum could become a relevant tail risk for the ecosystem. I believe this will become increasingly clear to everyone in the months ahead.”

“When corporations gain too much legibility and influence over open source projects, priorities start to drift away from the community’s long-term vision and toward corporate incentives. That’s how misalignment begins.”

There was a spike in early 2020 due to the pandemic-induced lockdowns, but it was an extremely short recession. Currently, there is no imminent recession threat, though elevated risk remains.

The repayment deadline was extended by a year to give creditors more time to complete claim procedures. With about \$3.9 billion in Bitcoin still in Mt. Gox-linked wallets, this Halloween may again spark concerns about possible sell pressure.

The main goal of VCs like Paradigm is to "suck as much value as possible from the Ethereum and broader ecosystem," while their secondary goals include "progressing the systems towards rigorous decentralization," wrote Lubin in a Monday X post, adding that there is "no reason for concern."

Crypto companies must be registered with the FCA under money laundering regulations and comply with the UK's financial promotions rules, which took effect in 2023, to advertise or provide services to residents.
