This allows users to lock Bitcoin and bridge it to Ethereum without relying on a federated custodian or bridge. On the Ethereum side, a smart contract verifies the BTC vault via a Bitcoin light client before accounting for collateral.

Gromen said that a hard money standard is the only fix for the current economic problems in the United States.

Strategy said earlier this year that it was adjusting its policy on common share issuance to convey discipline. The policy was modified to give the company greater flexibility, but onlookers suggested that it could make Strategy's move less predictable moving forward.
