“This doesn’t mean the end of alt season,” said Gregory, though he issued a note of caution. While a rotation into altcoins is still on the table, Gregory believes that Bitcoin's declining bullish momentum may lead to a “bear trap that could flush out more leverage” before the market resumes its ascent.

In its initial announcement of Tempo in September, Paradigm outlined its goal was to push forward the technology and adoption of crypto through a “mix of investing, building, and researching.”
