In March 2025, the exchange began moving assets between its wallets, a likely step in preparing for further repayments ahead of the Halloween deadline.

“We have seen crypto firms react positively to our financial promotions rules and regulations; however, where we still see poor practices, we will not hesitate to take action where firms appear to be breaching our rules.”

Treasury and corporate holdings

Miller attempted to reconcile this apparent contradiction, saying "investing in a business that's working with Bitcoin transactions is a very different game than

direct investment in buying Bitcoin."

The referral system also proved to be a growth driver, with 25,212 new users brought into the Algorand ecosystem through invitations from friends. By the end of the week, 4,215 participants had successfully completed all the required quests and claimed their non-fungible token (NFT) badges.

This technological progress has fueled the continued adoption of stablecoins, fiat-pegged digital tokens that can move across the internet without relying on traditional payment rails. The report cited \$9 trillion in stablecoin transactions over the past 12 months — an 87% increase from the previous year.
