Sports betting commanded the highest share at \$414.7 million last week, surpassing political markets despite election-related activity.

Crypto chart fundamentals

June, Hut 8 received a \$150 million investment from tech-focused investment manager Coatue Management, to help the company “capitalize” on the growing demand for AI computing power.

The private placement serves both as a financing mechanism and a tool for digital asset treasury management, providing immediate access to fresh capital and enabling Zeta to raise funds faster with less overhead on regulatory compliance.

The split extended to how candidates viewed blockchain technology versus direct crypto investment.
