"In line with WNBA Arena Security Standards, any fan who intentionally throws an object onto the court will be immediately ejected and face a minimum one-year ban in addition to being subject to arrest and prosecution by local authorities," it said in a statement.

Tax advantage for big traders

When you've been around markets long enough, you start to see patterns. The tools we trade on and the rails we build on are never static. In crypto, one of the biggest shifts happening right now is at the base layer.

AT&T; lets you settle phone bills with ETH or BTC, dodging those pesky late fees. Many online and some physical retailers accept XRP via gateways like CoinGate.

“At the same time, various traditional managers are expanding their digital-asset footprint, including tokenized securities in BlackRock’s case,” he added.
