The approval allows Binance to take majority control of GOPAX, restart operations in Korea, honor repayment pledges to users, and position itself to compete with dominant local exchanges.

A century ends and code is law

Defense attorney William J. Mauzy said Armbrust's actions took place "during a time of extreme financial need and considerable emotional distress," as he cared

for his ailing mother, who has since died.

The WNBA did not immediately respond to a request for comment but has warned that throwing items onto the court can pose a safety risk for players, game officials and fans.

How has it worked out? During the late-2024-to-mid-2025 rally, media estimates pointed to unrealized gains of \$300 million by December 2024, rising to portfolio values north of \$700 million months later, implying hundreds of millions in profit at peak. Figures move with price, but the pattern was clear in that upswing: Disciplined buying built a meaningful position.
