“From what we’ve seen, audiences aren’t interested in watching computer-generated content untethered from the human experience,” they said.

“Over time,” Hougan concluded, “I expect the market will catch its breath and renew its attention on crypto’s fundamentals. When that happens, I think the bull market will continue apace.”

Price pushes through a well-watched level on weak or average volume, shows little follow-through, and the next candle closes back inside the prior range.

The letter says current rules force Americans to complete new KYC checks for every financial account, sharing their data “with dozens of companies” that must store it for years, creating “honeypots for criminals.”

Major chain retailers like Home Depot, Lowe’s and Ikea accept cryptocurrency in the form of Bitrefill and BitPay gift cards, so you can use ETH to finance your home renovation.
