The BFB is a public-private partnership between the government of Bahrain and tech companies focused on incubating financial technology startups.

He compared crypto to past financial disasters such as Orange County bankruptcy and Enron, calling it "opaque" and saying "it has no place in a pension system."

"We have hashing technologies, where we have the ability technologically to detect CSAM proactively," the spokesperson said. "That's something that's sort of an industry-wide standard, and we're able to block it from appearing in search."

Paradigm has invested widely across the market, covering anything from DeFi and NFTs to blockchain security, infrastructure and startups.
