Big Tech firms have also been supportive: Microsoft accepts BTC directly or through processors, whereas Newegg also supports ETH for purchases on-site, and Overstock welcomes XRP as well. AMC Theatres accepts Bitcoin and other digital assets for its products and services, from Xbox content to movie tickets.

“What that means is that when you remove a result from search under our policies, in addition, what we'll do is on any query that includes your name—or would be likely to surface that page from search—all explicit results will be filtered,” the spokesperson said. “So not all explicit results will be removed, but all explicit results will be filtered on those searches, which prevents them from appearing on searches where it would be likely to show up.”

However, in response, “Wall Street created products that made the dollar dominant, and the market cap of equities today is 40 trillion compared to 2 trillion for gold,” he said.
