In their Telegram group, members have also brainstormed ideas for future attacks. Proposed targets include the Boston Marathon, a Lady Gaga concert and Wimbledon.

The ACI said the program builds on the success of other buyback initiatives. In April, Aave soared by 13% as the community approved a \$4 million token buyback.

Aave's decentralized autonomous organization (DAO) introduced a proposal to create a long-term, protocol-funded buyback program that would use up to \$50 million in annual revenue to repurchase Aave tokens.

So far, Strategy hasn't issued any common shares this month. Instead, the firm has tapped preferred shares introduced this year, which sometimes entail dividend payments.

"You should subtract from that number whatever the size of your Ocean investment was," Wertheimer said of Dorsey's philanthropic contributions. "Sadly, that capital is being actively deployed to slow down development."

"From what we've seen, audiences aren't interested in watching computer-generated content untethered from the human experience," they said.
