## Comprehensive Guide to binance customer service representative

The “flipping,” the idea that Ethereum will one day surpass Bitcoin’s market capitalization, has been a topic of debate for years but has gained renewed attention in recent months.

But there could be a shift in sentiment in two weeks’ time, Gadi Chait, head of investment at Xapo Bank, told Decrypt.

“We have seen crypto firms react positively to our financial promotions rules and regulations; however, where we still see poor practices, we will not hesitate to take

action where firms appear to be breaching our rules.”

Strategy's similar situation

While the \$20 million plan was designed as a short-term measure, the latest proposal seeks to make buybacks perpetual, embedding them directly into the DAO's governance and treasury management. The move would shift Aave from opportunistic market reactions toward a systematic, rule-based capital strategy, echoing corporate-style financial management.
