In its initial announcement of Tempo in September, Paradigm outlined its goal was to push forward the technology and adoption of crypto through a “mix of investing, building, and researching.”

Catching a coin’s name trending on X or in a Telegram chat isn’t enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That’s why the next step is to turn raw noise into structured signals you can actually rank and compare.

The licensing agreements arrive as prediction markets hit record-breaking growth, with weekly trading volume climbing past \$2 billion for the first time.

The funds will support energy expansion, mining growth, and new high-performance computing projects, with the move building on earlier steps, the company said.

Open banking, which allows consumers to share financial data with third-party apps through APIs, serves as a key link between traditional finance and sectors like decentralized finance (DeFi), crypto payment networks and digital banking platforms.

“Congrats to DraftKings on their acquisition of Railbird. We’re proud for Polymarket Clearing to be their designated clearinghouse as they enter the prediction market space,” Polymarket CEO Shayne Coplan said in an X post on Wednesday.
