Experts say this automation is a crucial source of protection against "the rising tide of software supply chain attacks targeting cryptocurrency," and proves effective even if malware isn't accompanied by social engineering attacks.

U.S. Triestina 1918 plays in Serie C, Italy's third-highest division of professional soccer. The club is currently in last place, and was recently assessed an administrative penalty that deducted 13 points from its standings.

CleanSpark's strategic pivot comes as the post-Bitcoin-halving pressure is driving mining companies to explore new sources of revenue.

"We have seen that a number of companies have had success with a crypto strategy," the spokesperson said. "A number of our friends and supporters felt we should engage in that area as well. The board decided to start a conservative approach on this and test waters by buying some Bitcoin and Trump coin."
