Admit it or not, software is deployed by developers and used by communities for certain purposes. And when hackers at cross purposes exploit the software to take things from those communities, some of the victims will appeal to the government for help. And sometimes those governments will respond by sending men with guns to restrain the hackers and imprison them.

Hours after getting slapped, the Pump.fun streamers recorded an apology video... while thanking Martyn for pumping their bags.

The spot volume delta metric, an indicator that measures the net difference between buying and selling trade volumes, reveals that net spot buying on exchanges remains negative, despite the recent attempts at recovery.
