Countries like Japan and the UAE are creating regulatory frameworks, he added, while India, Hong Kong and Australia "need to openly support such innovations."

Chen Zhi is the founder and chairman of Prince Holding Group, a multinational business conglomerate based in Cambodia. The Department of Justice has alleged that Prince Holding is at the center of a global crypto scam operation involving forced labor and billions of dollars in victims' losses.

From permissionless to permissioned

Catching a coin's name trending on X or in a Telegram chat isn't enough to justify putting capital at risk. Social buzz moves fast, and most spikes fade before price action catches up, or worse, they might be the result of coordinated shilling. That's why the next step is to turn raw noise into structured signals you can actually rank and compare.
