People have always looked to frontiers for freedom. That is because societies are, fundamentally, structures that organize violence to contain the desires of individuals in favor of the priorities of those in power. Generally, this has at least some pro-social qualities: Police have a privileged role as monopolists of violence so that we can buy deodorant at Walgreens without ringing a bell for an attendant. But that does not change what it is.

ETF inflows must return and new ETH buyers must step in for the bulls to have a shot at getting back to \$5,000.
