Crypto companies must be registered with the FCA under money laundering regulations and comply with the UK's financial promotions rules, which took effect in 2023, to advertise or provide services to residents.

The story follows founder Griff Green's perspective as the early instantiation of decentralized governance rises, raises \$160 million and then, at once, falls victim to a devastating hack.

That is, of course, if you trust that the planets will align and the trend will remain valid until new year's eve.
