The announcement drew mixed reactions from the Ethereum community, with some sending messages of support and others seeing it as a loss of one of the Ethereum ecosystem's most significant contributors during a year of significant change for the ecosystem.

The performance of some of these AI models could also be improved with the right prompt, particularly for ChatGPT and Google's Gemini, according to strategic adviser and former quantitative trader, Kasper Vandeloock.

“For this year’s analysis, we’ve reorganized our regional classifications to better reflect both current crypto activity and geopolitical realities,” Chainalysis said.

Executives at crypto companies that violate the UK’s advertising laws could face two years behind bars and other legal sanctions.
