Blue Origin and Lockheed Martin are expected to bid for the same contract, as SpaceX's main competitors.

Kraken attributes the shift to the country being "more densely populated with professional traders than other regions" it operates in.

The clues lie in leverage and positioning. When funding rates in perpetual futures turn strongly positive or negative, it signals crowding on one side of the market. When open interest builds near key levels, it often sets the stage for squeezes in either direction.

That is, of course, if you trust that the planets will align and the trend will remain valid until new year's eve.
