BNB opened today at \$1,090.97 and closed at \$1,157.05, marking a solid 6.06% daily gain after hitting a new all-time high. The intraday high of \$1,168.39 shows bulls are in complete control, with the token breaking through resistance levels like they're made of paper.

SearchGPT is the latest development in what appears to be a new era in web search, which The Verge's Nilay Patel has termed "Google Zero." This approach prioritizes practicality over variety: instead of presenting a list with different sources and approaches to a specific query, which encourages users to do their own research, AI-powered search engines opt for a more direct tactic, providing

concise, summarized information responding exactly to what users are looking for.
