Comprehensive Guide to binance long and short ratio

This conservative approach effectively took it out of the running for major gains, but also protected it from the significant downturns experienced by some of its rivals, positioning it as a more stable, if unprofitable, participant. Meanwhile, Claude Sonnet was comfortably in third place among the six contenders.

But not this time. Analysts at the British multinational bank Standard Chartered, who have long been bullish on Bitcoin, don't think it stops here either. Geoff Kendrick, the bank's global head of digital assets, said in an investor note published Friday that he expects the price of Bitcoin to reach at least \$135,000 in the near term and top \$200,000 before the end of the year.

From Times Square in New York to Portland and Los Angeles, crowds chanted “Resist Fascism” and “We the People Rule,” according to a report from Politico.

Apps like Flexa’s SPEDN wallet, or even reloadable digital gift cards, make it easy to swap tokens for lattes.

The story follows founder Griff Green’s perspective as the early instantiation of decentralized governance rises, raises \$160 million and then, at once, falls victim to a devastating hack.

Earlier in June, sources close to the matter told Decrypt that FalconX was exploring an initial public offering. The firm had reportedly begun early discussions with advisers about a potential listing within this year.
