The first incident occurred on July 29, during a game between the Atlanta Dream and Golden State Valkyries, when a bright green dildo bearing the project's hashtag was thrown onto the court. Several similar disruptions followed and two arrests have been made.

Nasdaq-listed Bitcoin mining company CleanSpark's shares soared over 13% on Monday, after the company announced a strategic expansion into artificial intelligence.

"I don't understand how most cannot see that as soon as gold stalls, BTC is going to rip."

“While differentiating between this content is a technical challenge for search engines, we're making ongoing improvements to better surface legitimate content and downrank explicit fake content,” Google said. In regards to CSAM, the Google spokesperson said the company takes this subject very seriously and has dedicated an entire team specially to combat this illegal content.

The transaction, which the group says will improve its balance sheet, adds a yield-bearing Bitcoin instrument to its treasury at a time when broader crypto markets remain volatile.

The bank based the bullish outlook on geopolitical tensions, economic uncertainty, and a weaker US dollar, which it said would keep demand strong.
